PRESIDENT: Is there discussion on the committee amendments to LB 900? If not, all those in favor of the committee amendments vote aye, opposed vote no. Please record your vote. The motion is to adopt the committee amendments. The Clerk will record the vote.

CLERK: 27 ayes, 0 nays on adoption of committee amendments, Mr. President, to LB 900.

PRESIDENT: The committee amendments are adopted. Now then, Senator Fenger.

SENATOR FENGER: This bill, LB 900, was drafted in response to a problem created by last year's passage of LB 87. LB 87 you will recall repealed Section 71-206 relating to barber apprentices. However, Section 21-204 which lists qualifications needed to become a registered barber incorporates by reference qualifications that were contained in the repealed section. The purpose of 900 is to revive language that was dropped when 21-206 was repealed and it is necessary to the barber registration procedure. The language in LB 900 would reinstate the requirements of high school graduation and graduation from an approved barber school with the curriculum consisting of a minimum number of hours and it would reinstate the deadline for taking the board examination. I would move the advancement of the bill, sir.

PRESIDENT: The motion is to advance LB 900 and the Chair recognizes Senator Chambers. Very well, is there further discussion on LB 900? If not, all those in favor of advancing the bill vote aye, opposed vote no. The Clerk will record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance LB 900.

PRESIDENT: LB 900 is advanced. It is past eleven o'clock and we will have to go to Select File and then return to LB 783. And we take up LB 1026 first. Is Senator Rod Johnson available? Senator Lundy, all right.
